

ANNOUNCEMENT

Ryan Osborn QA Mgr. Monticello

It is with great pleasure that we announce the appointment of Ryan Osborn as Quality Assurance Manager of the Monticello, Indiana Plant.

Ryan brings a wealth of knowledge and experience to this important position. He possesses nearly 14 years of operations management experience that includes supply chain management, quality management, manufacturing management and business development. Ryan's previous employment stretches across the semiconductor and automotive industries with employers that include Intel Corporation, Eaton Corporation and most recently Avery Dennison. He holds a B.S. degree from Purdue University in Industrial Management and Manufacturing Management and an MBA from Carnegie Mellon University.

Please join us in congratulating Ryan and welcoming him to the Monticello Plant and Power Transmission Solutions Quality Team.

Glenn Fisher
Plant Manager

Carri Riedel
Quality Manager North America
