

ANNOUNCEMENT

Materials Organization

It is with regret that I announce the resignation of Ben Geller Materials Manager Solus, effective March 26, 2010. Ben has elected to pursue other opportunities outside of Emerson.

We appreciate Ben's many contributions to Power Transmission Solutions and wish him the best in his future endeavors.

Brandon Oberschlake will be filling in for Ben's position as the interim P&IC Manager for Solus. Please join me in wishing Brandon success in his interim assignment.

A handwritten signature in black ink that reads "Anthony J. Prioreshi".

Anthony J. Prioreshi
Director of Materials
