Mr. Martin Collins
VALU GUIDE
3087 South Harbor Blvd.
Santa Ana, CA 92704

Dear Mr. Collins:

Thank you for your letter and samples of guide rails SSR, SSF, and SST. We have no objection to their use as guide rails and wear strips as component parts of USDA accepted equipment.

Sincerely,

A handwritten signature in cursive script that reads "Ronald M. Partyka".

Ronald M. Partyka
